This book is not a technical manual to help doctoral students through the minutiae of conducting in-depth qualitative or quantitative research. Instead, this how-to manual will focus on the practical aspects of writing and organizing a dissertation, in particular, the psychological and social hurdles that are involved. The author uses a conversational and encouraging tone along with plenty of graphics, quotes, illustrations, and sample forms to guide doctoral students through the process of preparing, writing, and defending their dissertations.

Features:
- checklists
- organizing graphics
- in-depth list of resources for further inquiry
- quotations
- illustrations
- other user-friendly elements

Full of easily accessible, practical advice that is administered in small bites. A conversational, warm, and personal writing style unique to this genre.
